BATTLE VIXENS

GLUTTONS FOR PUNISHMENT!

If Toutaka's dead, does that mean the challenges are over? Hell, no! While Shimai (or what's left of her) recovers, Hakufu and Koukin head to another school to face the legendary Ukitsu.

Of course, before they can get anywhere near this ultra-powerful Tousha, they must first face down Ukitsu's many subordinates. Do you think Hakufu will have the sense—or the willpower—to actually quit while she's ahead? Neither do we!

In fact, a terrible fate awaits our ass-kicking cousins...that could leave one dead and one scarred for life!

BATTLE VIXENS™

UNBREAKABLE

In order to become stronger and develop her fighting skills, Hakufu sets off in search of Master Choushou. But the only way she can meet Choushou is if she can bend one of three swords sticking out of a rock! After trying for hours, the swords don't budge. Will she ever summon the inner strength to bend one?
